Committee Considerations

Members of Sydney Northern Beaches may be considered for election and elected to Life Membership of the Surf Life Saving Sydney Northern Beaches (SNB) by the Life Membership and Honours Committee (Committee).

To be considered for Life Membership, members must have rendered sustained and conspicuous voluntary service to SNB. In considering a nomination, the Panel may consider this to be met via one or more of the following standards:

1. Twenty (20) years such service, twelve (12) of which must have been as an elected officer of SNB.
2. Twenty (20) years such service, a minimum of five (5) of which must have been as an elected officer of SNB or another branch, SLSNSW or SLSA.
3. Twenty (20) years such service, as an active member of any standing boards or constituted committees.
4. Thirty (30) years such service, sustained and conspicuous to a club or clubs.
5. A member may qualify for consideration if the Committee considers he or she has rendered such service over a shorter period.
